The purpose of the Respect shirt and order form is to raise awareness of the campaign and the hurtful affects of using the R-word. Any organization using the shirts for fund raising purposes is responsible for knowing their organization's policies regarding sales tax and Wisconsin Department of Revenue reporting.

Will Enterprises will charge a Wisconsin State Sales Tax to any order, other than a school.
 If that person or organization does not want a sales tax applied they must submit
 a Wisconsin Sales and Use Tax Exemption Certificate
